ABOUT US:

Sol tile- A venture from Parker Tiles meant to cater to discerning audiences and choosy customers, it has been spilling forth creative designs and high quality tiles that set new benchmarks in ceramic excellence. A brainchild of experienced veterans in the ceramic industry, SOL tiles runs on the values of manufacturing excellence, design aesthetics and superb customer service. Combining these values has led to a synthesis, achieving growth that is unprecedented in its scale.

SOL tiles have a vast product range suiting the needs of markets. We offer premium quality designs that maintain a fine balance of style, colour, texture and function that acts as the key to a cohesive, comfortable and pleasing space. We have been striving to set new benchmarks in excellent products, with our innovative research team and creative designers.

We at SOL tiles have developed our own unique culture that does not believe in unnecessary adherence to past, rather looking forward to a future has enabled the company to adapt swiftly to the demands of a dynamic and changing global market. Along with this, we have resorted to importing best raw materials that enable us to create such products, that they carry our name in the four corners of the world, exemplifying excellence in quality and design that is recognized throughout the industry.

Headquartered in Ahmedabad, the company also has its offices in major cities like Bangalore, Delhi & Mumbai. All teams who work at SOL Tiles put our customers' satisfaction first, and we strive to offer consistent service to all.
