DIGITAL PORCELAIN TILES

With a noted presence in the international market, SOL Tiles is a well-known brand from the house of Parker Tiles. A leading name in the field of ceramics since inception, it started its operations in Ahmedabad. Spread in vast expanse of 50,000 sq.ft., it is also present in the prime cities like Bangalore, Delhi and Mumbai. The factory is managed by highly qualified professionals hence the impressive revolution has taken place in the flooring industry. Its products have been highly in demand and very popular not only in India but in the global arena too by trending products in the countries like Europe, Middle East, Asia, Africa etc. Recent technology and creations being our prime factors in manufacturing, we have been able to achieve the high magnitude in producing elegant and innovative tiles with radiant designs in various shades.
